

Empower disabled kiwis to treat their dogs by creating a life changing solution!

The Maker Club
invites you to the:

Mobility Dogs Hackathon:

Help develop a life changing solution to give Mobility Dogs clients the ability to give their dog a treat.

Calling artists, engineers, and all types of makers to join us for a weekend designing tools to empower wheelchair users to give treats and train their dogs

Where?

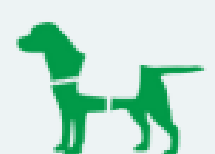

Unleash Space, Engineering Building,
Symonds Street, Auckland

From: 6pm on 12 July
Until: 6pm on 14 July

Unleash your creativity, have fun, and help make the simple action of giving a dog a treat effortless, enjoyable and accessible.

FREE registration includes:

- All equipment for the project
- Snacks & lunch
